VR Application - Version 1.0

Page 6 of 7

Revised: 09/21/2017
In making this application for vocational rehabilitation services, I acknowledge, understand and agree that:

I am applying for vocational rehabilitation services for the specific purpose of getting and/or keeping a job.

VR is largely funded by the federal government and is evaluated on criteria such as the percentage of people who gain work skills or earn credentials (such as a college degree) as well as the percentage of people who maintain employment and earn wages after their case is closed. In order to provide this information, VR must collect data regarding your employment, wages, and credentials obtained. Thus, VR staff or an automated personal assistant called “SARA” may contact you throughout the duration of your case and for up to a year and a half after your case closes. It is important that you respond to these contacts and provide the requested documentation.

It is my responsibility to inform my counselor of any changes related to this application, such as changes in my address, income or employment.

I will not be discriminated against by Rehabilitation Services because of disability, age, race, color, ethnicity, natural origin, gender/sex, gender identity, sexual orientation, religion, or political affiliation or belief.

There is no cost for services provided directly to me by VR staff. I will be asked to furnish financial information and my financial needs will be taken into consideration when determining my participation in the costs of services that VR must purchase from another entity.

If VR pays for goods or services for which I am financially responsible, I agree to reimburse VR the portion of the costs for which I am responsible.

I agree to provide accurate financial information and abide by the following conditions:

- All goods and services funded by VR are intended to assist me to complete IPE (Individualized Plan for Employment) objectives so that I can obtain and maintain employment. I agree to be honest regarding my vocational needs when requesting funding for goods and services, and to use the goods and services purchased by VR in a responsible manner for the purposes intended.

- I will not use, or allow others to use, goods and services purchased by VR on my behalf in a manner that would make them unavailable for VR services or that would compromise my ability to use them in the manner intended.

- I will abide by and be held accountable for all policies related to the use of VR funds on my behalf.

- I will provide all documentation required by VR. For example, receipts, mileage logs, grades reports, signed acknowledgements of receipt of goods and services (RD-87s) etc.

VR will not pay for or reimburse me for any service for which my counselor has not issued a written authorization for purchase (note: verbal agreement to provide a service or inclusion of a service on my individualized plan for employment does not constitute a written authorization for purchase).

VR may recover funds for items purchased without authorization or agency approval and VR funds spent on items for which I was financially responsible. Inappropriate use of goods or services funded by VR or failure to provide required documentation; such as mileage logs, RD-87s, receipts may result in suspension of services, a requirement to reimburse VR for the goods or services, return of the goods and/or case closure. If funds are still owed to VR from a previous case, new services may be suspended until VR is reimbursed. Knowingly and deliberately withholding, concealing or misrepresenting information to obtain or attempt to obtain VR services or funding may be fraud. Serious cases of fraud or intent to commit fraud may result in immediate case closure and/or a report to law enforcement may be filed seeking criminal prosecution.
